

DOUGH ORNAMENT RECIPE

INGREDIENTS

- 4 cups all-purpose flour
- 1 cup salt
- 1 1/2 cups water
- Add all ingredients to list

DIRECTIONS

1. Preheat oven to 300 degrees F (150 degrees C).
2. Combine the flour, salt and water; mix well and knead for 10 minutes. Roll out on a lightly floured surface. Do not make the dough too thick, so it won't puff up while baking.
3. You can freeze for 30 minutes before cutting to stiffen dough.
4. Cut into desired shapes with cookie cutters, or free form cutting, and make holes for hanging. Bake for 30 minutes; allow to cool.
5. Decorate with acrylic paint, tinsel, glitter glue pens, micro beads, etc. Allow to dry and spray with clear polyurethane on both sides to preserve or paint a coat of glossy Mod Podge over the entire ornament to seal and protect it, and to give it a shiny finish. Allow to dry. Use ribbon, yarn pieces, or wire hooks to hang.
